**F G C Fm**  
One last dance with you  
**F C**  
Even though what we have is strong  
**F G**  
Both of us know that we ve done wrong  
**F C**  
You could lose everything  
**F G**  
Need to give it up  
**F G C Fm**  
Just one last dance with you  
**F C**  
For all the moments that we shared  
**F G**  
All the lies they don t compare  
**F C F**  
You gotta go back to him, and I realize that  
**F C F G**  
Every time I see your face I know  
**F C F G**  
There s a part of me that can t bear to let you go  
  
**C F G**  
And I would give my heart  
**Fm C F G**  
Give you the world, risk losing everything I got  
**Fm**  
I d give it all to you  
**C F G**  
Though I don t wanna stop  
**F Am D**  
I know it s the right thing to do.....yeah

[do verse chords]

One last dance with you  
So hard to find the words to say  
But I can t see any other way  
Girl you ve risked everything

Time to give it up  
Just one last dance with you  
And though it breaks my heart to leave  
We both know it's time to let it breathe  
You gotta go back to him, girl I realize that  
Every time I see your face I know  
There's a part of me that can't bear to let you go

[do chorus chords]  
And I would give my heart  
Give you the world, risk losing everything I got  
I'd give it all to you  
Though I don't wanna stop  
I know it's the right thing to do.....yeah

**G F**  
So many times we tried to hold back

**Dm**  
We been here before now girl

**Am C G**  
And it feels so cruel, yeah

**F**  
A million tears won't change the fact that

**Dm**  
I find it hard to play the game

**F G**  
When I feel like I'm the one to blame

[do chorus chords]  
But I would give my heart  
Give you the world, risk losing everything I got  
I'd give it all to you  
Though I don't wanna stop  
I know it's the right thing to do.....yeah

[do chorus chords]  
And I would give my heart  
Give you the world, risk losing everything I got  
I'd give it all to you  
And make our peace with god  
I know it's the right thing to do...yeah

**F G C Fm**  
One last dance with you

**G A**  
Oh yeah
