Lyricz:

(This is how we do it)
Yeah well come on check it out

Whatcha doing cos we ll be rendezvousing
And you know we ll be getting some
getting jiggy just for fun (X4)

Six o clock in the morning wipe
the sleep from my eyes (yeah)
Felt just like an ordinary day
Just around the corner, such a surprise,
a beautiful angel materialised
Time stood still face to face
I m sure we d met in another time and place
(met in another time and place)

Our eyes met as you passed me by (passed me by)
Two souls entwined in the blink of an eye (yeah)
And I had to figure out what I d be missing
So I turned to you and asked you if you wanted to
(You know we ll be getting some getting jiggy just for fun)

say 2 & we can do anything you wanna do
Hey, tonight is your night yeah
Where you close your eyes,
take a minute, take a moment realise
Do you see me when you fantasise?
Tonight ll be your night

I m just sitting here daydreaming
about you and all the things you do
Girl feels so right
And all I know is your the one for me,
that special kinda lady
In my life, in my life

Well here I am writing you a love song
Holding back those years, it s been so long
And I can t deny the way that I m feeling (feeling)
It s true, so girl that s why I m asking you, can we...

Chorus

Darling tell me, what s on your mind?
what are you thinking
Hey what you thinking?
Hey what you thinking?
Darling tell me what s on you mind?
What s on your mind yeah?
Darling what are you thinking
Now darling what are you thinking...

Chorus

I m just sitting here daydreaming
about you and all the things you do
Girl feels so right
And all I know is your the one for me,
that special kinda lady
In my life, in my life yeah

Whatcha doing cos we ll be rendezvousing
& you know we ll be getting some
getting jiggy just for fun (X4)
