Sculptor of My Heart      by Smith Craig

-----

VERSE 1:

**G**            **Em**                            **C**  
Search with holy eyes  
**D7**  
This vessel in Your hands  
**G**            **Em**                            **C**  
Sift and purify  
**D7**    **Em**  
By the standards You demand  
**C**    **G**  
Sculptor of my heart  
**G**            **Em**                            **C**  
Cast and forge my mind  
**D7**  
With a quest for purity  
**G**            **Em**                            **C**  
And as the poet weaves his line  
**D7**    **Em**  
Compose You melody

CHORUS:

**C**            **G**  
Please make of me  
**D7**            **Em**  
Your Kingdom s art  
**C**            **G**  
May You be pleased  
**D7**            **G**  
Sculptor of my heart

VERSE 2:

**G**            **Em**                            **C**  
You have fashioned perfectly  
**D7**    **G**  
Your image in the Son  
**G**            **Em**                            **C**  
Shape and pattern within me  
**D7**    **G**  
To be the paragon  
**C**    **G**  
Sculptor of my heart  
**G**    **Em**

Hew away those pieces

**D7**

**G**

Which cause blemish to the whole

**G**

**Em**

As the only skillful Master

**D7**

**Em**

Engrave Your name upon my soul

[Chorus]

BRIDGE:

**G**

**D7**

**Em**

**C**

You create from a heart of stone

**G**

**D7**

**Em**

A vessel of honor that You call

**C**

Your own, Your own

[Chorus]
