Cranes - September

Tune down 1/2 step to Eb.

The chord progression is:

Bsus4	Asus2	G	Em	Asus2
xx4400	x02200	320003	022000	x02200

Bsus4	Asus2	G
--------------	--------------	----------

If you would just, if youâ€™d just hold on to me, it would make me happy

Em	Asus2
If youâ€™d just hold on to me,	I won t feel so empty

Bsus4	Asus2	G
With our eyes closed tightly,	just as close as we can be	

Em	Asus2	Bsus4
Like a rainbow made just for me,	oh these times were precious to me	

Overwhelming happy dreams
Pass by my eyes and make me feel
Like in summer, warmer things
And then it all falls down in streams

Lead Guitar after Verse 3:

Bsus4	Asus2	G	Em	Asus2

G----77-77-7-79--66-66-6-67--44-44-4-4---7-6-7---7-6-4-----

Overwhelming beautiful dreams
That I can feel and I can see
That I can feel and I can see

And if I never see you again
And if this is truly the end
I can't bear to say goodbye

But I loved you, just wanted you to know
I'm so sorry I never told you so

I've loved you, just wanted you to know
I'm so sorry I never told you so...
