livin off our own accord,
C G
between coffee grinds and corner stores.
Am F
limousines, cigarettes,
C G
chasing dreams with fishing nets,
Am F
and long weekends without regrets,
C G
well no one here is taking bets.

Am F C G Am F C

just to kiss the cheeks and shake the hands,
Am F
and pool halls and wonderlands,
C G
with strong arms and no legs to stand,
Am F
and getting by on hand-me-downs,
C G
with your tips, your drinks, you re buyin rounds,
Am F
it s back to my old stomping grounds,
C G
like children in the lost and found
