At My Funeral - Crash Test Dummies
transcribed by Stefano Serafin, barleycorn@infinito.it

I found a wrong version of this song in the archive, so I give my own. This is transcribed from a bootleg recording made when CTD came to Italy some years ago, so it might be a bit different from the original.

G **C** **G** **D**
I m still young, but I know my days are numbered

C **G** **Em** **D**
1 2 3 4 5 6 7 and so on

G **C** **G** **D**
But a time will come when these numbers have all ended

C **G** **Em** **D**
And all I ve ever seen will be forgotten

C **G**
Won t you come

C **G** **D** **Em** **C** **D**
To my funeral when my days are done

C **G**
Life s not long

C **G** **D** **Em** **C** **D**
And so I hope when I am finally dead and gone that you ll gather round

C **D** **G**
As I am lowered into the ground

G C Em D

When my coffin is sealed and I m safely six feet under
Perhaps my friends will see fit then to judge me
When they pause to consider all my blunders
I hope they won t be too quick to begrudge me

Won t you come
To my funeral when my days are done
Life s not long
And so I hope when I am finally dead and gone that you ll gather round
As I am lowered into the ground

G C Em D

C **G** **Am** **G/B**
If I should die before I wake up
