Title: Here I Stand Before Me
Tabbed by: Unknown

[Intro (simple, ain t it?)]

Esus4

[Verses]

A **E**
My doctor told me that it was time for me to have my X ray.
Well, take my fingers, what to fingers really mean to me?
[Instrumental 3d verse]

F#m **A** **Esus4**
Of course, I had many night mares about the fatal day.
Oh, you can easily look them up in the dictionary.
[Instrumental 3d verse]

A **E**
The room was dark and my skeleton was floating on the wall.
They call them digits or techically they re known as the pha langes.
[Instrumental 3d verse]

D **G** **A**
My voice trembles down in side me.
My joints con nected up in side me,
My, my the future lay be fore me.

D **G** **A** **G D**
I m trapped way down in my body.
way down deep inside my body.
Hey hey, deep inside my body.

[Chorus]

G **A** **D**
I, I, I, oh here I stand be fore me, but
A **D**
something s out of place here.
G **A** **D**
My mind s eye is missing from my body.
G **A** **D**
Well, I know it s there, but I can t see where.

[First time through, play G and goto second verse. Second time through,
play Bm -> B and then this bridge]

E		A		B
My bones shine brightly, a map of my whole body.				
E		A		B
My vital organs just churn away in side me. Some-				
E	B		E	
day they re going to stop this motion, and I ll be left with				

[Then play B, D and goto the instrumental third verse.]
