

**How Does a Duck Know Chords
Crash Test Dummies**

F

How does a duck know

C F Bb

what direction south is?

F C F Bb

And how to tell his wife from all the other ducks?

D A

You can cut a chicken s head off

D E D A

but it will keep on running and twitching.

D E

When everything seems planned out

D E
when everything seems nicely planned out

D A E

well the human race will come and smack your face

F
How come all my body parts

C F Bb

so nicely fit to gether?

F C F Bb

All my organs doing their jobs, no help from me.

D A

A person pulls a spider s leg out

D E D A

to watch it keep on moving and twitching.

D E
When everything seems planned out

D E
when everything seems nicely planned out

D A E

well the human race will come and smack your face

Bbmaj7

Satan

C F

lives here

A Bb E

on grain and earth, rain and air.

D A

You can put me in and iron lung

D **E** **D** **A**
and I will keep on breathing and twitching.

D **E**
When everything seems planned out

D **E**
when everything seems nicely planned out

D **A** **E**
well the human race will come and smack your face

D **A** **E** **D**
You might be dead, but you keep your head.
