Crash Test Dummies**

Artist: Crash Test Dummies  
Title: How Does a Duck Know  
Tabbed by: Unknown

**F**  
How does a duck know  
**C** **F** **Bb**  
what direction south is?  
**F** **C** **F** **Bb**  
And how to tell his wife from all the other ducks?

**D** **A**  
You can cut a chicken s head off  
**D** **E** **D** **A**  
but it will keep on running and twitching.

**D** **E**  
When everything seems planned out  
**D** **E**  
when everything seems nicely planned out  
**D** **A** **E**  
well the human race will come and smack your face

**F**  
How come all my body parts  
**C** **F** **Bb**  
so nicely fit to gether?  
**F** **C** **F** **Bb**  
All my organs doing their jobs, no help from me.

**D** **A**  
A person pulls a spider s leg out  
**D** **E** **D** **A**  
to watch it keep on moving and twitching.

**D** **E**  
When everything seems planned out  
**D** **E**  
when everything seems nicely planned out  
**D** **A** **E**  
well the human race will come and smack your face

**Bbma j7**

Satan

**C** **F**  
lives here

**A**                  **Bb E**  
on grain and earth, rain and air.

**D**                                  **A**  
You can put me in and iron lung  
**D**                          **E**                  **D**                  **A**  
and I will keep on breathing and twitching.

**D**                                  **E**  
When everything seems planned out  
**D**                          **E**  
when everything seems nicely planned out  
**D**                          **A**                                  **E**  
well the human race will come and smack your face  
**D**                          **A**                                  **E D**  
You might be dead, but you keep your head.
