Title: I Think I ll Disappear Now

Tabbed by: Unknown

[Intro - 4/4 time, 4 distinct beats per chord except for [Csus4-C]
and [Dm-C], which are each 4 beats total]

Bb C F Csus4 Bb [Csus4-C] F Bb F [Dm-C]

[Vocal Intro]

F **Bb** **F** **Dm**
Running into you like this without a warning
C **Bb** **C** **F**
is like catching a sniff of te quila in the morning.
Dm **Bb**
But I ll try, I ll try to keep my food down.
F **Dm**
That s quite an aftertaste that you ve left now that
Gm **C** **Bb** **Csus4** **C**
you re not a round.

[Verses]

F **Bb** **F** **Dm** **Csus4**
You can just pretend we re not in the same room.
I ll buy a fast car and drive it fast from here.
Well, you can bet that I ll forget how it was then,

Bb **C** **F**
Well alright I ll just mosey to the bathroom.
There s a beach I haven t seen since last year.
all the drives to your farm for the weekend.

Dm **Bb**
You flew by like a summer vacation
It s far, but I like night drives
But I ve seen the swimsuit magazines

F **Dm** **Gm** **C**
and you left me with TV movies and a messy kitchen
it just makes it nicer when I do ar rive.
and I ve smelled te quila first thing in the morning.

[Chorus]

I think I ll disap pear now, slip out sideways.

extended Chorus (play 2nd and 3d times through)]

Gm F Dm Bm F B
Aren t you going to even say one thing to me anymore.
