

Smoke
Crash Vegas

Artist: Crash Vegas
Song: Smoke

This is a beautiful song that I couldn't find anywhere! So I sat down and learned it!
A Canadian Classic. enjoy

4/4

Intro:

C///Em///Am///G///F///Em///F///G///C/G///

C

Tell me how to cut the cord

Em Am

When all I want is to hold you up,

G

And float away.

F

Maybe we should get out of here,

Em

And talk about the things we shared,

F

G

Or maybe we should take a break,

Chorus:

C

F

C

Well there must be smoke or something in my eyes

Em

Am

F

G

I never thought I'd feel this way before until we said good-bye

F

Fm

C

Until we said good-bye

C

Em

Am

Its not like so many hours, the nights when all we do is fight

G

About the way we talk

F

Em

F

I was on the telephone their only going to where us down

G

When I want to take you home

Chorus:

Solo: (over verse chords)

C **Em**

You say that Im your eyes and I whisper Iâ€™ve gone blind

Am **G**

You wear a smile like a veil

F

Look close of last nights smoke

Em

And you just drink to stay afloat

F **G**

And I swim by and pull the plug

Chorus:

End:
