Artist: Crash Vegas

Song: Smoke

This is a beautiful song that I couldnâ $\in$ <sup> $\mathbb{M}$ </sup>t find anywhere! So I sat down and learned it!

A Canadian Classic. enjoy

4/4

Intro:

C///Em///Am///G///F///Em///F///G///C/G///

C

Tell me how to cut the cord

Em Am

When all I want is to hold you up,

G

And float away.

F

Maybe we should get out of here,

Em

And talk about the things we shared,

r G

Or maybe we should take a break,

Chorus:

C F C

Well there must be smoke or something in my eyes

Em Am F G

I never thought  $\hat{\text{la}} \in \mathbb{T}^{m}$  feel this way before until we said good-bye

Until we said good-bye

C Em Am

Its not like so many hours, the nights when all we do is fight

G

About the way we talk

F Em F

I was on the telephone their only going to where us down

G

When I want to take you home

```
Solo: ( over verse chords )

C Em

You say that Im your eyes and I whisper I've gone blind

Am G

You wear a smile like a veil

F
Look close of last nights smoke
Em

And you just drink to stay afloat
F G

And I swim by and pull the plug

Chorus:

End:
