D-----|-----4-|
```

verse:

```
C#m           E       A           E E4 E/C#
Boo! Morning grey. Sober up today
C#m           E           A           E E4 E/C#
Feel this pouring rain, it s the deepest sea on earth
C#m           E           A           Amaj7
```

Riff1  
Hear this crying wind, it s the sadest song I ve heard -wings are growing on her

chorus:

```
C#m           E           C#m           G#m           A       Riff1
Oh, Fidel, I know. Your princess has gone with the flow
C#m           E           C#m           G#m           A       Riff2
Oh, Fidel, I know. Angels they form into snow
```

verse

Cool everything and you ll hear her sing  
Here we live to see all loves oddities  
You pray for foreign gods to bring your love to you  
-hear him bouncing the doors

chorus

chorus (1st line accoustic)

```
C#m
My princess, my angel, my everything, my honey pie, oh why?
```
