Here we go.

VERSE 1:

**Bb**                          **Fm**                  **Ab**                  **Eb**  
Oh yeah, it s getting dark.  
          **Bb**                          **Fm**                          **Ab**                          **Eb**  
Oh no, they ve got an attitude that kills me. But then  
          **Bb**                          **Fm**                          **Ab**                          **Eb**  
Oh my, there you are.  
          **Bb**                          **Fm**                          **Ab**  
I know you re not an ordinary being  
          **Fm**          **Ab**          **Bb**  
But a solitudinarian, oh, who got it all wrong.

CHORUS:

(**Bb**)                          **Eb**          **Bb**                  **Fm**                          **Ab**  
You shine like a star. Ooh-ooh - if only you ever knew  
                          **Eb**          **Bb**                  **Fm**                          **Ab**  
You d go out and bloom. Ooh-ooh - if only you ever knew  
                          **Eb**          **Bb**                          **Fm**                          **Ab**  
You re very uncool. Ooh yeah - and forever wonderful. I know.

VERSE 2:

**Eb**                  **Bb**                          **Fm**                          **Ab**  
Easy to make you out,  
**Eb**                  **Bb**                          **Fm**                          **Ab**  
I see you re not an ordinary being.  
          **Fm**          **Ab**          **Bb**  
But a luminary hearted    soul who got it all wrong.

CHORUS

**Fm**          **Ab**          **Fm**                          **Ab**

You re a solitudinarian, a solitudinarian,  
Fm Ab Bb  
A luminary hearted soul who got it all wrong  
Bb  
You know, you got it all wrong

CHORUS

OUTRO:
