Bb **Eb** **Bb** **Eb**
At school they give you shit, drop you in the pit
Bb
you try and try to get out, but you can t because they ve you about
Bb **Eb**
Then you re the prime example of how they must not be
Bb
this is just a sample of what they ve done to you and me

chorus:

Eb **C#** **F#ii** **F**
do they owe us a living? of course they do! of course they do!
Eb **C#** **F#ii** **F**
do they owe us a living? of course they do! of course they do!
Eb **C#**
do they owe us a living? OF COURSE THEY FUCKING DO!

verse 2:

they don t want me anymore because i threw it on the floor
they used to call me sweet thing, but i m nobody s plaything
and now that i m different, they d love to bust my heat
they d love to see me cop out, they d love to see me dead

repeat chorus

verse 3:

the living that is owed to me i m going to get
they ve bugged this old world up, up to their necks on debt

they d give you a lobotomy for something you ain t done
they ll make you an epitomy of everything that s wrong.

repeat chorus

verse 4:

don t take any notice to what the public think,
they re so hyped up on tv, they just don t want to think
they ll use you for a target for demands and advice,
when you don t wanna hear it they ll say you re full of vice

repeat chorus

end
