CHORUS:

Come my lady
Come, come my lady
You re my butterfly. Sugar, baby
Come my lady
Come, come my lady
You re my butterfly. Suger baby

VERSE:

Such a sexy, sexy pretty little thing
Fierce nipple pierce, you got me sprung
With your tongue ring
And I ain t gonna lie
Cause your loving gets me high
So to keep you by my side
There s nothing that I won t try
Butterflies in her eyes
And the looks to kill
Time is passing
And I m asking could this be real
Cause I can t sleep
I can t hold still
The only thing I really know
Is she got sex appeal
I can feel
Too much is never enough
You re always there to lift me up
When these times get rough
I was lost. Now I m foun g
Ever since you ve been around
You re the woman that I want
So yo, I m putting it down
Puttin it down

CHORUS

I don t deserve you
Unless it s some kind of hidden message
To show me life is precious

Then I guess it s true
To tell the truth, I really never knew
Til I met you
I was lost and confused
Twisted and used up
Knew a better life existed
But thought that I missed it
My lifestyle s wild
I was living like a wild child
Trapped on a short leash paroled
The police files
And yo, what s happening now?
I see the sun breaking
Shinning through dark clouds
And a vision of you
Standing out in the crowds
Was take a chance with me
So, girl whatever tickles your fancy
Girl it s me and you like Sid and Nancy
So sexy...almost evil
Talkin about butterflies in my head
I used to think that happy endings
Were only in the books I read
But you made me feel alive
When I was almost dead
You filled that empty space
With the love I used to chace
And as far as I can see
It don t get better than this
So, butterfly here is a song and it s sealed with a kiss And a thank you miss
CHORUS
