      D      C
And the colors of the sea
      G      Gm
blind your eyes with trembling mermaids,
      D      C
And you touch the distant beaches
      G      Gm
with tales of brave Ulysses
      D      C
How his naked ears were tortured
      G      Gm
by the sirens sweetly singing,
      D      C
For the sparkling waves are calling you
      G      Gm
to kiss their white laced lips
```
