

World Of Pain  
Cream

(verso 1)

**F**                **A**                **Dm**                **F** **G**  
 Outside my window is a tree  
**F**                **A**                **Dm**                **F** **G**  
 Outside my window is a tree  
                                 **B**  
 There re only four leaves

(pré-refrão)

**D**                                **C#m**                                **F#m**  
 And it stands in the gray of the city  
                                 **Bm**                                **E7**                                **C#7**  
 No time for pity for the tree or me

(refrão)

**A7**    **D7**                                **A7**  
 There is a world of pain  
**D7**                                **A7**  
 In the falling rain  
                                 **D7**  
 Around me
