Primeira Parte:

```
Em9          G9  
  When I m all alone  
              D  
And no one else is there  
Waiting by the phone  
              Em9  
To remind me I m still here  
              G9  
When shadows paint the scenes  
              D  
Where spotlights use to fall  
And I m left wondering  
Is it really worth it all?
```
