#### LETRA E TRADUÇÃO

#### STAND HERE WITH ME

You always reached out to me and helped me believe  
All those memories we shared  
I will cherish every one of them  
The truth of it is there`s a right way to live  
And you showed me  
So now you live on in the words of a song  
You`re a melody

You stand here with me now

Just when fear blinded me you taught me to dream  
I`ll give you everything I am and still fall short of  
What you`ve done for me  
In this life that we live  
I hope I can give love unselfishly  
I`ve learned the world is bigger than me  
You`re my daily dose of reality

You stand here with me now

On and on we sing

On and on we sing this song

'Cause you stand here with me now
