G#

I went down to the station

Eb

Just to take a ride

Bb7

Found myself on a flatcar

Eb

Yesterday behind

Verse 2:

Pullin out from the platform

There was no brass band

I pulled out from the platform

Nobody raise a hand

There were no tears or regrets

From the runaway train

Train, train, train, train

(instrumental)

Verse 3:

Got no sand in my pocket

You know I ain't tied down

With no sand in my pocket

Never do sit down

I'm just a cross-tie walker

Where the freight trains run

Run, run, run, run

(instrumental)

Verse 4:

If you see me a-comin

Don't you waste my time

If you see me a-comin

Don't you waste my time

Cause there're more miles between us

Than the Santa Fe line

Run, run, run
