Verse 2:

Pullin out from the platform  
There was no brass band  
I pulled out from the platform  
Nobody raise a hand  
There were no tears or regrets  
From the runaway train  
Train, train, train, train

(instrumental)

Verse 3:

Got no sand in my pocket  
You know I ain't tied down  
With no sand in my pocket  
Never do sit down  
I'm just a cross-tie walker  
Where the freight trains run  
Run, run, run, run

(instrumental)

Verse 4:

If you see me a-comin  
Don't you waste my time  
If you see me a-comin  
Don't you waste my time  
Cause there're more miles between us  
Than the Santa Fe line  
Run, run, run
