NOTES:

- Rhythm guitar repeats the main riff throughout the entire song and plays Fill #1 after the last line of the chorus.
- Lead guitar plays the licks and the solo, and plays Fill #2 after the last line of the chorus.
- During chorus, play the main riff starting from the second line of tab.
- There are no guitars during the verses (only drums).
- I haven't transcribed the solo here.. it's tough!

Here's the entire song setup, with the lyrics:
