

Someday Never Comes
Creedence Clearwater Revival

Intro:

OBS: . Quando for fazer o slide da 6ª para a 4ª casa da segunda corda, não deixar soar a nota da 6ª casa, apenas o som do slide e soar a 4ª casa, ouça a música que você vai entender, é uma puxada rápida onde só se ouve o slide e a nota da 4ª casa a 6ª casa é uma nota fantasma.

Ao terminar a introdução o acorde de C que finaliza a introdução já é o início da música.

Obs: . Se for tocar com violão a sonoridade pode sair meio estranha, e ao ouvir a música pode parecer fora, porém se tocar com uma guitarra clean e um reverb verá que esta certinho, tem uma diferença de sonoridade.
