

**My Friend**  
**Crimpshrine**

This song is tuned a half step down.

**G# A E B**

**G#            A            E        B**

I grew up sheltered and innocent  
Found LSD as an escape from stress  
Only knew where I was coming from  
Didn't care where I was going or what I'd become

**E**  
14 years old, full of LSD

**F#**  
Cuz that's what I wanted to be

**A                            E**  
It was always so much fun

Freedom to do whatever I chose  
Freedom to dose and dose and dose  
In a park, frying under the sun

**B                    A        E**  
Those times are gone  
Those times will never be gone

The rest is just more of the same. End on E.
