

**My Friend**  
**Crimpshrine**

This song is tuned a half step down.

**A Bb F C**

**A            Bb            F        C**

I grew up sheltered and innocent  
Found LSD as an escape from stress  
Only knew where I was coming from  
Didn't care where I was going or what I'd become

**F**

14 years old, full of LSD

**G**

Cuz that's what I wanted to be

**Bb                            F**

It was always so much fun

Freedom to do whatever I chose  
Freedom to dose and dose and dose  
In a park, frying under the sun

**C                    Bb        F**

Those times are gone  
Those times will never be gone

The rest is just more of the same. End on E.
