

My Friend
Crimpshrine

This song is tuned a half step down.

A Bb F C

A Bb F C

I grew up sheltered and innocent
Found LSD as an escape from stress
Only knew where I was coming from
Didn't care where I was going or what I'd become

F

14 years old, full of LSD

G

Cuz that's what I wanted to be

Bb F

It was always so much fun

Freedom to do whatever I chose
Freedom to dose and dose and dose
In a park, frying under the sun

C Bb F

Those times are gone

Those times will never be gone

The rest is just more of the same. End on E.
