C **Bb** **G# Eb**
All the lonely people roam
C **Bb** **G# Eb**
The streets in search of makeshift home
C **Bb** **G# Eb**
In all the darkness there s one light
C **Bb** **G# Eb**
A shining Mecca in the night

G# **Eb Bb** **C#**
There s no sanctuary from your own mind
G# **Eb Bb** **C#**
There s no sanctuary from the binds of time
G# **Eb Bb** **C#**
There s no sanctuary from what troubles you
G# **Eb** **Bb** **C#**
There is nowhere else to go, this will have to do
