

She Splits Me Up  
Crocodiles

Intro

G# C# D# X2

G# C# D#  
At the House of Fun she really had it out for me  
G# C# D#  
Her neon tongue and fluorescent skin  
G# C# D#  
Spoke few words, I shivered like a ghost  
G# C# D#  
Her graveyard eyes, they lured me in

Chorus

G# C# D#  
My girl lives with so much pain  
G# C# D#  
But she feels alright if I feel the same  
G#  
And she splits me up and she splits me up.

G# C# D# x2

G# C# D#  
I donâ€™t believe in original sin  
G# C# D#  
I was all split up so I went in  
G# C# D#  
The picture cracked, it shattered on the bed  
G# C# D#  
And now she never sleeps, sheâ€™s always hanging out

Chorus

G# C# D#  
My girl lives with so much pain  
G# C# D#  
But she feels alright if I feel the same  
G#  
And she splits me up and she splits me up.

But her love is never real

And the world outside is fading fast

and she's so detached

And she splits me up

**G#**

**D#**

**G#**

And she splits me up

Repeat to fade...
