

Half Of What We Know
Crooked Still

[Verse]

Your lonesomeness I know

G - F#m - B

And your garden will not grow

G - F#m - B

You can weed it all you want, youâ€™re still too slow

G - F#m - D - A - G

If it wasn't for the sun,

G - F#m - B

All the roses would've won

G - F#m - B

And you pin up on my blouse a blue ribbon

G - F#m - D - A - G

(and so on)

[Chorus]

And what if I never gave you keys to the kingdom fine

D - C - Bb - D

And what if I never made you walk that crooked line

D - C - Bb - D

And what if my love was raging-then would you be mine?

D - C - Bb - D

â€™Cause only half of what we know comes true in time

G - F#m - D - A - G

Half of what we know comes true

G - F#m - D - A
