

Undone In Sorrow
Crooked Still

Gm

Gm Bb
Over yonder in the graveyard

Gm Bb
Where the wild, wild flowers grow

Gm
There they laid my own true lover

She d gone from me, forever more

Gm Bb
Fairer than the sweetest flower

Eb F
Restless as the wildest way

Gm
Pored in with love deep as a ocean

This is the girl that I did win

Eb, Gm, Eb, Gm,

Gm Bb
I left her there back in the mountain

Eb F
To see the world riches to gain

Gm
Oh, when I returned no earthy treasure

Could ease this heart so filled with pain

Eb

Bb

They saw high above the mountain

Eb **Bb**
Beneath that little mound of clay

C **Cm** **Bb**
The girl that I returned to marry

Eb **F** **Dm**
So stand a mound of flowers did lay

Gm, Eb, Bb, F,
Gm, Bb, Gm,
Gm, Bb, Eb, Bb, F
Eb, Gm, Eb, Gm (x4)

Gm
I ll go lay you down and wonder
Lay aside my earthy gain
All I am undone in riches
Undone in sorrow I ll remain (x2)
