Bittersweet (David Crosby)

Gm **F**
On the one side truth towers like a cliff

Eb **Gm**
On the other side love dangles by a thread

Gm **F**
Here is a climber he cannot find his eyes

Eb **Gm**
And a falling woman wishing she was dead

D **D/C**
Ooh both sides why is it always bittersweet

Bm **D**
And the broken cloudy days when I need the sun s heat

Gm **F**
I need the heat oh both ways why is it always bittersweet

Eb **Gm**
And the broken cloudy days when I need the sun s heat

Gm **F**
Oh I need the heat why why is it bittersweet

Eb **Gm**
And the broken cloudy days when I need the sun s heat

Gm
Oh I need the heat, oh, ooh, ooh
