[3/4 time]

G / C / G D G C G

G C  
Saw a sign on the highway I was driving along

G D  
Way home on a hill top is where I belong

G C  
I took a look at the home where my head used to be

G D  
And I ll sing you a song that descended on me

G C G D G  
The way I live determines the way my people survive

G C G D C C/B Am7 G C G  
Yes the way I live determines the way my people survive

G C  
So I went to the country to look up a friend

G D  
Cos I heard that the house and the barn had a blend

G C  
I took a look at the hole where the bird used to be

G D  
And I ll sing him a song because he sang one for me

G C G D G  
The way I live determines the way my people survive

G C G D C C/B Am7 G C G  
Yes the way I live determines the way my people survive

And the names of the cowboys will all blow away

**C** **D** **Bm**  
Like the dust off the desert on a hot windy day

**C** **D** **Bm** **C**  
I ve tried so hard to tell you in so many ways

**C** **Am7** **D** **G**  
That I m scared of the heartache and scenes with the cowboy of dreams
