

I Surrender

Crosby & Nash

From the Crosby and Nash album of 2004.

One of their best songs and there was no tab for it.

intro **Am G F Am**

Am **G**
in times of meditation
F **Am**
I can hear the sweetest voice
Am **G**
sounding out across the distance
F **Am**
breaking through the noise

F **G** **Am**
then there comes a vision
F **G** **C** **F**
and then a touch so tender
G **Am**
no more indecision
F G C F
I surrender

Am **G**
I try and keep my heart protected
F **Am**
I try and keep my cool
Am **G**
but just as I suspected
F **Am**
I don't make the rules

F **G** **Am**
I'm giving myself over
F **G** **C** **F**
no more great pretender
G **Am**
I wanna be your lover
F G C F (3x)
I surrender
I surrender
I surrender
