EAEAE
              E6 *
Four and twenty years ago,
I come into this life
   E
            E6
The son of a woman,
                     E6
     E
and a man who lived in strife
     G A
               E E6
He was tired of being poor;
and he wasn t into selling door to door
And he worked like the devil to be more

                   E6
                      E
A different kind of poverty now upsets me so
           E6
Night after sleepless night,
I walk the floor and I want to know;
G A
       E
                 E6
why am I so alone?
Where is my woman, can I bring her home?
Have I driven her away?
Is she gone?
EAEAE
                E6
Morning comes to sunrise,
and I m driven to my bed
I see that it is empty,

G A E E6
I embrace the many colored beast,

I grow weary of the torment;

And I find myself just wishing that my life would simply cease
