4 + 20 chords

Crosby, Stills and Nash (Stephen Stills)

F Bb F Bb F

F **F6 ***
Four and twenty years ago,

F **F6**
I come into this life

F **F6**
The son of a woman,

F **F6**
and a man who lived in strife

G# Bb F F6
He was tired of being poor;

G# Bb F
and he wasn't into selling door to door

G# Bb F
And he worked like the devil to be more

F Bb F Bb F

F **F6** **F** **F6**
A different kind of poverty now upsets me so

F **F6**
Night after sleepless night,

F **F6**
I walk the floor and I want to know;

G# Bb F F6
why am I so alone?

G# Bb F
Where is my woman, can I bring her home?

G# Bb
Have I driven her away?

F
Is she gone?

F Bb F Bb F

F **F6**
Morning comes to sunrise,

F **F6**
and I'm driven to my bed

F **F6**
I see that it is empty,

F **F6**
and there's devils in my head

G# Bb F F6
I embrace the many colored beast,

G# Bb
I grow weary of the torment;

F
can there be no peace?

G# Bb F
And I find myself just wishing that my life would simply cease
