              D6 *
Four and twenty years ago,
I come into this life
   D
            D6
The son of a woman,
                     D6
and a man who lived in strife
     F G
              D D6
He was tired of being poor;
and he wasn t into selling door to door
                     G
And he worked like the devil to be more

                   D6
                      D
                                        D6
A different kind of poverty now upsets me so
           D6
Night after sleepless night,
I walk the floor and I want to know;
F G
       D
                D6
why am I so alone?
    G
Where is my woman, can I bring her home?
Have I driven her away?
Is she gone?

               D6
Morning comes to sunrise,
and I m driven to my bed
I see that it is empty,
           D
and there s devils in my head
```

F G D D6
I embrace the many colored beast,

I grow weary of the torment;

can there be no peace?
 F G D
And I find myself just wishing that my life would simply cease
