[Verse 1]

<b>C</b>	<b>G</b>	<b>F</b>	<b>D/Dsus4</b>
One morning I	woke up	And I knew	you were really gone
<b>C</b>	<b>G</b>	<b>F</b>	<b>D/Dsus4</b>
A new day a	new way	and new eyes	to see the dawn
<b>Am C</b>	<b>F</b>	<b>D/Dsus4</b>	
Go your way	and I ll	go mine	carry on

(same chords progression)

The sky is clearing and the night has cried enough  
The sun, he come, the world to soften up  
Rejoice, rejoice, we have no choice but to carry on

The fortunes of fables are able to see the dawn  
Now witness the quickness with which we get along  
To sing the blues you ve got to live the tunes and carry on

[Chorus]

(A capella)

Carry on  
Love is coming  
Love is coming to us all

**D**                                **Am**                                **C**                                **F**  
Where are you going now my love? where will you be tomorrow?

**D**                                **Am**                                **C**                                **F**  
Will you bring me happiness? will you bring me sorrow?

**D**                                **C**                                **Am**                                **G**                                **D**                                **C**                                **Am**                                **G**  
Oh, the questions of a thousand dreams, what you do and what you see

**D**                                **C**                                **G**                                **F**                                **D**  
Lover can you talk to me?

[Verse 2]

(same as verse 1)

Girl when I was on my own, chasing you down  
What was it made you run? trying your best just to get around.  
The questions of a thousand dreams, what you do and what you see  
Lover can you talk to me?
