

Everybody I Love You
Crosby, Stills, Nash & Young

Everybody I Love You

D **A**
Know you got to run,
D **E**
Know you got to hide
D **A**
Still there is a great life
D **E**
Lingerin deep within your eyes.

Open up, open up,
Baby let me in.
You expect for me to love you
D **A** **G# F# E D**
When you hate yourself, my friend. (lalalalalalala)(2X)

D A D E

E **A**
Everybody, I love you
E **A7 D**
Everybody, I do

Though your heart is in anger
I need your love to get through
When I tell you I love you
You can believe that it s true

Everybody, I love you
Everybody, I do.
