**Bm**

Soldiers of peace are not fighting a war

**D**

**A**

Are not looking for enemies behind every door

**A**

**Em**

**D**

**Em**

**Bm**

Are not looking for people to kill or to maim.

**Em**

**D**

**A**

**Bm**

Soldiers of peace are just changing the game.

**Bm**

Men who were fighting for all of our lives

**D**

**A**

Are now fighting for children, for homes and for wives,

**Em**

**D**

**Em**

**Bm**

Fighting for the memory of all who fell before,

**Em**

**D**

**A**

**Bm**

But the soldiers of peace just can't kill any more.

Chorus:

=====

**D**

**A**

So come all you warriors who live for the fight,

**Em**

**Bm**

**D**

**A**

Come listen to somebody, someone who might

**D**

**A**

Have been there before you and they have the right,

**Em**          **Bm**          **A**  
They ve been dying to tell you the score.

**Em**                  **D**                  **Bm A**          **Bm**  
The old warriors don t want you to hurt any more.

=====  
Guitar Solo  
=====

**Bm**  
Soldiers of peace can still hear the cries

**D**                                          **A**  
When the people were screaming and losing their lives,

**Em**                  **D**                  **Em**                  **Bm**  
When bodies were broken and spirits were torn

**Em**                                  **D**      **A**          **Bm**  
The soldiers of peace do not want you to mourn.

Chorus:  
=====

**D**                                  **A**  
So come all you warriors who live for the fight,

**Em**                  **Bm**                  **D**                  **A**  
Come listen to somebody, someone who might

**D**                                          **A**  
Have been there before you and they have the right,

**Em**                  **Bm**                  **A**  
They ve been dying to tell you the score.

**Em**                  **D**                  **Bm A**          **Bm**  
The old warriors don t want you to hurt any more.

=====

**Em**                  **Bm**                          **A**                          **D**  
Soldiers of peace                  are not fighting a war.

No more, no more, no more, no more, no more.
