

Teach Your Children
Crosby, Stills, Nash & Young

Crosby, Stills, Nash and Young
Teach Your Children

Basically, it's D, G, and A with a Bm thrown in on the bridge.

In several places, you can play around with the A chord on the B string. The pattern is A Asus A A* A. I use A* because I forget the name. The chord structures are:

	E	A	D	G	B	E
A	0	0	2	2	2	0
Asus	0	0	2	2	3	0
A*	0	0	2	2	0	0

[Intro]

D G D A

[Verse 1]

D **G**
You who are on the road
D **A**
Must have a code that you can live by
D **G**
And so become yourself
D **A**
Because the past is just a good-bye.

[Chorus]

D **G**
Teach your children well,
D **A**
Their father's hell did slowly go by,
D **G**
And feed them on your dreams
D **A**
The one they picks, the one you'll know by.

[Bridge]

D **G** **D**
Don't you ever ask them why, if they told you, you would cry,
Bm G A
So just look at them and sigh
