

Woodstock

Crosby, Stills, Nash & Young

This is how I play it, it sounds a lot closer to me than the other version on here.

Capo 3rd fret if you want to play along to the recording.

-----

**E** **E7**  
Well I came across a child of God

**A7** **A7(II)**  
He was walking along the road

**A7** **A7(II)**  
And I asked him tell where are you going

**E** **E7**  
This he told me

**E** **E7**  
Said I am going down to Yasgur s farm

**A7** **A7(II)**  
Going to join in a rock and roll band

**A7** **A7(II)**  
Goin to get back to the land

**E** **E7**  
to set my soul free

**A7(II)** **E7**  
We are stardust, we are golden

**A7(II)** **A**  
We are billion year old carbon

**G** **A7(II)** **C** **E(7)**  
And we ve got to get ourselves back to the garden

Well then can I walk beside you  
I have come to lose the smog  
And I feel like I m a cog in something turning  
And maybe it s the time of year  
Yes and maybe it s the time of man  
And I don t know who I am  
But life is for learning

We are stardust, we are golden  
We are billion year old carbon  
And we ve got to get ourselves back to the garden

By the time we got to Woodstock  
We were half a million strong  
And everywhere there was song and celebration  
And I dreamed I saw the bombers jet planes

Riding shotgun in the sky  
Turning into butterflies  
Above our nation.

We are stardust, we are golden  
We are billion year old carbon  
And we ve got to get ourselves back to the garden
