Am E Am F Em D
Cold rain down on my face, buses hurry on

Work s out, here comes the race, people heading home

C/G D C/G Bm
Wait a second, don t I know you, haven t I seen you somewhere before

C/G
You seem to be like someone I knew

D C/G Bm
Yes he lived here, but he left, when he thought that there was more

Am E Am F Em D
Than cold rain, and nowhere to go, many people share

Am E Am F Em D
Sad dreams and hopes that are stained, by the sulphur in the air

C/G D C/G Bm
Don t I know you, haven t I seen you somewhere before

C/G
You seem to be like someone I knew

D C/G Bm
He lived here, but he left, when he thought that there was more

Am E Am F Em D
Than cold rain, out on the streets, I am all alone

Am E Am F Em D
With cold rain down on my face, I am heading home
