HAVEN T WE LOST ENOUGH- Crosby, Stills and Nash

(riff 2x)

**Em G Am9 Em G Am9**

I was with you, you were alone, now I m standing here

**Em G Am9 Em**

Wisdom came only after you d gone

**G C**

So I m starting all over with a tear in my eye

**D Em (riff 2x)**

I just never thought you d disappear

In the night your image arises and close behind comes the pain

I hope I dream cos it hurts so bad

When I reached out for you, I m alone in some room

I just never thought you d disappear

CHORUS:

**G D Am9 Em D**

I still love you like a child, wasn t I good enough?

**G D Am9 Em D**

I still want you, drives me wild, haven t we had it rough?

**Em (riff 2x)**

Haven t we lost enough?

Time heals all, so they say, I don t know

Sometimes nothing is clear

Maybe someday I ll understand but I know for a start

There s a place in my heart that is yours

And it won t disappear

EXTENDED CHORUS:

I still love you like a child, wasn t I good enough?

I still want you, drives me wild, haven t we had it rough?

I still love you like a child, wasn t I good enough?

I still want you, drives me wild, haven t we had it rough?

Haven t we lost enough?

(from Live it Up, 1990. Very good song on a very bad album (IMHO). Also on the CSN box set)
