     [   ] x3

Csus   C   Csus   C   C(add D) Bbmaj7
                  I used to   be   a   king
     C   Bbmaj7
      And everything around me turned to gold
     C   Bbmaj7
      I thought I had everything
     C   Bbmaj7
      Now I m left without a hand to hold

         Cm   Dm7
      But it s alright, I m ok, how are you
          Cm   Dm7
      For what it s worth I must say I love you
        Cm   Dm7
      And in my bed late at night, I miss you

       Am   F   Csus   C
      Someone is gonna take my heart, no-one is gonna break my heart again

Csus   C   Csus   C   C(add D) Bbmaj7
                  I used to   be   a   king
     C   Bbmaj7
      And everything around me turned to rust
     C   Bbmaj7
      It s cos I built my life on sand
     C   Bbmaj7
      And I watched it crumble in the dust

           Cm   Dm7
      Yeah but it s alright, I m ok, I want to know how you are
         Cm   Dm7
      For what it s worth I must say   I loved you as you are
    Cm   Dm7
      In my bed where are you

```
  Am                                    F                            Csus   C

                 I used to   be   a   king
  C                           Bbmaj7
 But everything around me turned around
 C                  Bbmaj7
 But I know all I have to do is sing
 C                     Bbmaj7
 And I ll lift myself way off the ground

            Cm                  Dm7
 Yeah, but it s alright, I m ok,  how are you
      Cm                         Dm7
 For what it s worth I must say I love you
      Cm                      Dm7
 And in my bed late at night God how I miss you

  Am                                    F                            Csus   C
  Someone is gonna take my heart, no-one is gonna break my heart again

  Csus   C    C(add D)     Bbmaj7     Csus   C    Csus   C   C(add D)     Bbmaj7
                             no, no no  no

   Csus   C    Csus   C    C(add D)     Bbmaj7
  [                                      ]   Repeat and fade
