Into the darkness soon you ll be sinking

What are you doing? What can you be thinking?

That some of your demons are dying to drag you

**Dm**

Away (Into the darkness) into the darkness

Into the darkness away

All of your life you ve been making your payments  
Alone on the phone with your business arrangements  
No wonder no one could ever get near you  
You re screaming too loud no one can hear you

**Dm**

I see you coming to the end of the day

**G**

And was it worth it? No one can say

**Dm**

I see your face it is ghostly pale

**G**

Into the sunset we are watching you sail

Temperature s rising over the rainbow  
What are you hiding? Afraid of your shadow  
We have been trying, trying to find you  
There s no use denying our love is behind you

Stay out of the darkness

Out of the darkness stay
