Into The Darkness Crosby, Stills & Nash

Into The Darkness

Intro: G C G C

Dm

Into the darkness soon you ll be sinking
Am
What are you doing? What can you be thinking?
Dm
All of your friends have been trying to warn you
 Am
That some of your demons are dying to drag you

Dm

Away (Into the darkness) into the darkness Into the darkness away

All of your life you ve been making your payments Alone on the phone with your business arrangements No wonder no one could ever get near you You re screaming too loud no one can hear you

Dm

I see you coming to the end of the day **G** And was it worth it? No one can say **Dm** I see your face it is ghostly pale **G** Into the sunset we are watching you sail

Temperature s rising over the rainbow What are you hiding? Afraid of your shadow We have been trying, trying to find you There s no use denying our love is behind you

Stay out of the darkness Out of the darkness stay
