Man In The Mirror (Graham Nash)

[3/4 time]

G Am C G / Am F D G / / /

C G
On the end of a tightrope, I m over the town

C G
I d be good in a circus, but so would a clown

Bm C E
From the way that I feel, all my hangups are down

C G
In the middle of nowhere, I found me a tree

C G
And the fruit that we live on, reminds me of me

Bm C E
Though we live in the air, I m not sure that we re free

A F#m
And I don t really have much to say

Gmaj7 E
Cause I m living from day to day, somewhere

A F#m
And I don t care what the people say

Gmaj7 E
Cause if everyone knows the way, we re nowhere

C G
Two and two make four, they never make five

C G
And as long as we know it, we all can survive

Bm C E

Make sure that the things you do, keep us alive

A **F#m**

And I don't really have much to say

Gmaj7 E

Cause I'm living from day to day, somewhere

A **F#m**

And I don't care what the people say

Gmaj7 E

Cause if everyone knows the way, we're nowhere

C G

Is the image I'm making, the image I see

C G

When the man in the mirror, is talking to me
