My Favourite Changes Crosby, Stills & Nash My Favourite Changes Intro: G G Dm This is my favourite set of changes \mathbf{F} C Already good for a couple of songs G Am Thought I might play them one more time and over again G Dm Makes me go back to the trouble I got into F С Am Tryin to live up to what they said I lucked into G At twenty-five C Em7 G And this part reminds me of my lady, she loves me she s waitin at home С Em7

And the baby she s makin I tell you it s frightenin how she trusts me so Em7 C And all of the sad times the bitter taste left by the struggle to grow Must my baby know the blues

G

So if you re still listenin I hope you ll remember The kid with the big white guitar And all the sad stories to tell

I think it s high time I went home she ll be worryin and missin me so How long can I let it drive me crazy this music won t let me go But here I stand tryin so hard to find one more clever line For this song of mine but I can t seem to find Anything that will rhyme with my favourite changes
