Only Waiting For You (Stephen Stills)

G / Em7 / D / / / G / Em7 / D / / /

**G** **Em7**  
I cannot remember feeling quite so self assured

**D**  
It must have been back in my teens

**G** **Em7**  
I was such a basket case when I was young

**D**  
It s obviously something that I dreamed

**C** **Bm**  
I have always been a most reclusive kind of guy

**Em7** **D** **C**  
When love s around I usually run and hide

**G** **D**  
But don t you go believing I was ever that confused

**C** **G**  
I was really only waiting for you

**G** **D** **G** **D**  
Really only waiting for you, what do you suppose that we can do

**Em7** **D**  
Anything whatever that you want to last forever

**C** **G / Em7 / D / / /**  
Really only waiting for you

**G** **Em7**  
I cannot escape the overwhelming feeling

**D**  
Destiny has taken us in hand

**G** **Em7**  
And nothing that we do is gonna change the way

**D**  
This love affair is never gonna end

**C** **Bm**  
And I know it s hard getting used to the idea

**Em7** **D** **C**  
That your lover wants to be your best friend

**G** **D**  
With a showing of affection and a measure of romance

**C** **G**  
This is really only waiting for you

**G** **D** **G** **D**  
Really only waiting for you, what do you suppose that we can do  
**Em7** **D**

Anything whatever that you want to last forever

**C** **G**  
Really only waiting for you

**G**  
Waiting, waiting, only waiting for you

**G** **G / Em7 / D / / /**  
Waiting, waiting, only waiting for you

**G** **Em7**  
I've been living by myself I do not want for someone else

**D**  
At least that's what I like to say

**G** **Em7**  
It was working till the other day I met you

**D**  
And I fell in love from twenty yards away

**C** **Em**  
I've got one last truly great love left in my life

**Em7** **D** **C**  
And my heart is telling me it might be you

**G** **D**  
So forget your disappointments I'll forget about my past

**C** **G**  
I was really only waiting for you

**G** **D** **G** **D**  
Really only waiting for you, what do you suppose that we can do  
**Em7** **D**

Anything whatever that you want to last forever

**C** **G**  
Really only waiting for you

Repeat chorus

----- Put your problems out with the cat -----
